The Aircoach picks up passengers at one of two collection points (shown below), one in front of T1 and one in front of T2. Which collection point your bus departs from will be specified on your ticket. The Expressway picks up passengers from the collection point behind the T1 car park. The Aircoach and the Expressway offer different departure times, so you may want to select your bus company and ticket based on the arrival time of your flight. the red line LUAS from Heuston LUAS stop, immediately in front of the main entrance to Heuston train station. Stay on the platform closest to the entrance to the train station, do NOT cross the tramline to the other platform. You can take the LUAS toward Connolly or toward The Point (they both arrive at the same platform). If you take the LUAS toward Connolly, disembark at Connolly (the final stop) – this will leave you immediately outside Connolly train station.
